

# Uncovering VALUE SINCE 1975

Boyar Research publishes in-depth, independent research on U.S. publicly traded businesses selling at a significant discount to our estimate of their intrinsic value. Our research, which covers companies ranging from \$500 million to mega-cap stocks, covers a diverse range of industries.

With this research, you'll gain access to expertise used by some of the world's largest money management firms, including hedge funds and family offices.

We offer an exclusive subscription package that provides you with immediate access to our latest research as well as 300+ historical reports that you can browse 24/7. We invite you to learn more about the benefits of a subscription, our investment methodology as well as the details behind our performance track record.

## WHAT YOU'LL RECEIVE WITH AN Annual Subscription TO Boyar Research

### ■ Seven (7) Full-Length Issues per annum

Each featuring three in-depth research reports on companies we believe to be undervalued and have catalysts for capital appreciation.

### ■ Midyear Opportunity Issue

Around midyear we provide comprehensive company updates on 5-10 stocks in the Boyar Research Universe that we find to be both timely and attractively priced.

### ■ The Forgotten Forty

This annual report provides clients with 40, one-page snapshot reports on companies that were researched extensively in previous issues. Stocks contained in the *Forgotten Forty* are our forty best catalyst driven stock ideas for the year ahead.

### ■ Historical Archive

Includes full online access to 300+ company reports from past Boyar Research publications dating back to 2009.

### ■ Timely Updates

Our subscribers receive timely updates throughout the year as relevant news breaks regarding both companies within the Boyar universe as well as the market as a whole.

*There is no doubt, Boyar has added 'alpha' to my clients' total return over the years."*
